

Autism Awareness Information Forum

Dear Agency Director/Program Coordinator:

The Onslow County Partnership for Children and Family Support Network of the Crystal Coast invite you to participate in an **Autism Awareness Information Forum** focusing on services and programs available to children with Autism. This is our first annual Autism Awareness event and we are hoping to make it a tremendous success.

The Forum will be held at Brookwood Baptist Church, 903 Henderson Drive, Jacksonville, North Carolina, **on Saturday, April 17 2010. The event will be from 1:00 p.m. until 4:00 p.m.** This event will also include two presentations, Sensory 101 presented by Pam Hill, OT, and a Parent Panel featuring Ann Palmer of the Autism Society of NC.

Displays may be set up beginning at 12:15 p.m. on the day of the event, tables will be provided. We request that there be at least one person present at the table from 1:00 to 1:30 and from 2:30 to 3:00, to explain services and to answer questions. We invite you to provide materials (brochures, booklets, etc.) that explain your services and how to access them. We also invite you to enjoy an afternoon of networking.

We hope that you will be able to be a part of this exciting event. To help us with planning, **please return the enclosed form to Onslow County Partnership for Children, 308 Western Blvd, Jacksonville, NC 28546 by April 9, 2010.** I hope you will share this information, including the attached flyer, with your clients and other agencies that provide services for children with Autism.
